

NETWORK
IT
RECRUITMENT

**DEVELOPING RELATIONSHIPS,
DELIVERING RESULTS**

SPECIALISTS AND MARKET LEADERS IN RECRUITMENT AND CAREER DEVELOPMENT.

Network IT Recruitment is one of 3 specialist divisions within Network Recruitment and is a specialist Information Technology recruitment agency.

The current challenge of the severe skills shortage in the IT Industry has seen this dynamic team create strong relationships with several well-known and reputable IT companies, where a large percentage of placements constitute repeat business.

Network IT Recruitment's project teams focus on delivering expert technical market knowledge. Excellent training has enabled these specialist teams to forge strong networks with candidates.

CAREER OPPORTUNITIES INCLUDE:

- Business Analysts, Software Developers
- Embedded Engineers
- Consulting, Graduates
- Analyst Programmers
- Data Analysts
- Database Administration etc.

**NETWORK RECRUITMENT
HAS BEEN AWARDED
A PMR GOLDEN
ARROW AWARD,
AS WELL AS A
PMR BRONZE AWARD
N 2009**

CLIENT TESTIMONIAL:

"You cannot perfect what's already perfect.
Thanks for your good service and excellent CVs."

CANDIDATE TESTIMONIAL:

"You guys are doing a very good job, and I'm
happy with the job I am in now, so thanks a lot
for finding it for me."
